01

Owned Ventures & Entrepreneurial Leadership

WATER HOUSE QATAR & UAE

Current | Qatar / UAE

FOUNDER & MANAGING DIRECTOR

— Water House was born from my growing personal interest in longevity, preventive wellness, healthy living, and the importance of hydration in our everyday lives.
My vision is to reimagine something as simple and essential as water, transforming it into a more personalized, enjoyable, and functional daily ritual. Through Water House, I aim to bring together hydration, natural ingredients, wellness innovation, and lifestyle in a concept that encourages people to make more conscious choices about their health and well-being.
